## **2025 Pharmacy Directory**

This Pharmacy Directory was updated on 10/1/24. For more recent information or other questions, please contact us, iCare Medicare Plan Customer Care, at 1-800-777-4376, 24 hours-a-day/7 days-a-week (office hours: Monday-Friday, 8:30 a.m. to 5:00 p.m.). TTY users should call 1-800-947-3529, or visit [www.icarehealthplan.org](http://www.icarehealthplan.org).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.icarehealthplan.org/Member-Documents](http://www.icarehealthplan.org/Member-Documents). You may also use our online Provider Search Tool at [www.icarehealthplan.org/Find-a-Provider.htm](http://www.icarehealthplan.org/Find-a-Provider.htm) or you may call Customer Care at the number listed above for an updated provider.

This information is available for free in a different format, including large print, braille and audio. Please call Customer Care at the number listed above if you need plan information in another format or language.

**We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

## Introduction

This booklet provides a list of *iCare* Medicare Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and *iCare* Medicare Plan's formulary. When this pharmacy directory refers to "we", "us", or "our," it means *Independent Care Health Plan*. When it refers to "plan" or "our plan," it means *iCare Medicare Plan*.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under *iCare* Medicare Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was published. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/1/24. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

This directory is for Kenosha, Milwaukee, Ozaukee, Racine, Walworth, Washington, and Waukesha counties which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please visit [www.icarehealthplan.org/Find-a-Provider](http://www.icarehealthplan.org/Find-a-Provider) for a listing of all of the pharmacies in our network.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi™ pharmacy, formerly known as MedImpact Direct Mail. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The network of pharmacies in this directory are divided into five categories:

### **Retail Pharmacies, including Chain Pharmacies**

#### **Mail Order Pharmacy**

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi™ pharmacy, formerly known as MedImpact Direct Mail.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 7-10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Birdi™ pharmacy by phone at 1-855-873-8739 (TTY dial 711).

Typically, you should expect to receive your prescription drugs from 3 to 5 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-777-4376, TTY 1-800-947-3529, (TTY: 711), or call Birdi™ pharmacy (formerly known as MedImpact Direct Mail) at 1-855-873-8739 (TTY: 711).

### **Home Infusion Pharmacies**

### **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under *iCare* Medicare Plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

### **Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies**

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through *iCare* Medicare Plan's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Each pharmacy is listed by category in alphabetical order for each county by city.
